Humble Baseball Association (HBA), is the youth baseball organization for the Greater Humble area. Our 2010 Spring Season is offering competitive baseball league's for children ranging in age from 5 to 18. Our organization is committed to providing quality instruction in fundamentals, sportsmanship and team play.

As you are probably aware, HBA relies on the generous contributions from our sponsors. Without such financial help, many children would be financially prohibited from enjoying these activities. HBA is an IRS recognized (501c)(3) non-profit organization.

This year, HBA will offer two levels of team sponsorship. The many benefits of each level are listed below.

SILVER (400.00) This is the standard (minimum) level of sponsorship. This includes the sponsors name on the teams jerseys, their name listed on the sponsorship page of the HBA website, and a commemorative plaque with the team's picture and sponsors name.

GOLD (550.00) This level of sponsorship includes all items mentioned above. In addition, HBA will have an individual sponsorship sign displayed on the grounds of the Lyndsay-Lyons sports complex. This sign will be approximately 43 inches in diameter and designed to look like a baseball. This will be a great way for sponsors to gain name exposure.

HBA, and all participating parents and children, sincerely appreciate your generosity, support and interest.

All checks should be made payable to "Humble Baseball Association". Please include on the check a notation as to which team name and age group your donation should be applied.

Sincerely,
John Spindle
Sponsorship director, HBA
